### § 519.54 Designation of Rulemaking Coordinators.

The officials listed in table 1 will designate Rulemaking Coordinators to perform the duties listed in paragraphs (a) through (d) of this section for their areas of functional responsibility. At the time of designation, the Adjutant General (DAAG-AMR-R) will be informed of the name and telephone number of the designated individual. The designee will perform the following duties:

(a) Editorial review of all rules, notices, and highlight statements required to be published in the FEDERAL REGISTER.

(b) Transmitting material to TAG and providing TAG with the name, office symbol, and telephone number of the action officer for each rule or general notice for inclusion in the FEDERAL REGISTER.

(c) Coordinating with Publication Control Officers to ensure submission of Statements of Compliance required by § 519.55.

(d) Notifying HQDA (DAAG-AMR-R), WASH DC 20314, when a regulation published in the FEDERAL REGISTER becomes obsolete or is superseded by another regulation.

### § 519.55 Statement of compliance.

In order to ensure compliance with the regulation, no rule will be issued unless there is on file with The Adjutant General (DAAG-AMR-R) a statement to the effect that it has been evaluated in terms of this regulation. If the proponent determines that the provisions of this regulation are inapplicable, such determination shall be explained in the statement.

### § 519.56 Submission of publications for printing.

When Army-wide publications or directives are transmitted to The Adjutant General (DAAG-PAP) for publica-

tion, the DA Form 260 (Request for Printing of Publication) or other transmittal paper will contain a statement that the directive has been processed for publication in the FEDERAL REGISTER or that it falls within the exempted category. DAAG-PAP will not publish any rule unless this statement is on DA Form 260. A copy of DA Form 260 may be submitted to DAAG-AMR-R in lieu of the statement required by § 519.55.

### § 519.57 Incorporation by reference.

(a) With the approval of the Director of the Federal Register, the requirements for publication in the FEDERAL REGISTER may be satisfied by reference in it to other publications, provided they are reasonably available to the class of persons affected and contain the information which must otherwise be published. For example, it can be purchased from the Superintendent of Documents, Government Printing Office or GPO bookstores at a reasonable cost, or is available for review at Army installations, or depository libraries. Therefore, before a document can be incorporated by reference, the proponent must determine that it is available to the public. See 5 U.S.C. 552(a)(1); 1 CFR part 51; 37 FR 23614 (4 Nov 1972).

(b) Incorporation by reference is not acceptable as a complete substitute for promulgating in full the material required to be published. It may, however, be utilized to avoid unnecessary repetition of published information already reasonably available to the class of persons affected. Examples include:

(1) Construction standards issued by a professional association of architects, engineers, or builders,

(2) Codes of ethics issued by professional organizations, and,

(3) Forms and formats publicly or privately published and readily available to the persons required to use them.

(c) Proposals for incorporation by reference will be submitted to HQDA (DAAG-AMR-R), WASH DC 20314 by letter giving an identification and subject description of the document, statement of availability, indicating document will be reasonably available to the class of persons affected, where and
